Usage & Rental Policies for Pavilion & Park Facilities

Pavilions are available for reservation on a first-come/first-serve basis. Rental use is scheduled from April 1 to October 31.

1. Reservations for group use are made through the Plymouth Township Department of Parks and Recreation office. An Application for Use form must be filled out and you must submit the proper permit fees and security deposits. Reservations may be made beginning January 2 of each year.
2. Your receipt of payment & copy of your application acts as your permit for use of the pavilion. Please make sure you bring these with you when you are using the pavilion. You may be asked to show it.
3. The application indicates which particular facilities have been scheduled for your use. Please check this information for accuracy.
4. The time frame listed on your application must include set-up and clean-up time. Please do not arrive prior to the time reserved. It is equally important that your group has cleaned up and is ready to leave by the ending time noted. Available:
 - The park is open from 10:00 am to dusk
 - Base rental periods are four hours long
5. Please remember to be courteous as groups may be renting the pavilion during time slots before and after you. In addition, the remaining facilities in the park will most likely be scheduled simultaneously for other groups. All groups are limited to use of the facilities noted on their applications.
6. Access to the Community Center building is not included in any pavilion rented at the Community Center Park. However, restroom access (where available) is included with your rental. You are responsible for your parties' treatment of both the pavilion and restroom facilities. With the exception of the Community Center, the restrooms must be locked upon group departure. A key must be obtained on the weekday prior to your rental and returned within two business days.

Permits have been distributed to other groups and individuals (and recreation programs) to use the fields and other facilities. The remaining park facilities will always remain open to the general public.
